Madam

We are delighted to inform you that Sudbury Town Residents' Association, an organisation dedicated to bringing the community together to enhance the quality of life of residents, is celebrating sixty years of your reign with a party in Barham Park, Wembley.

We propose to include in the programme on the day a naval military band, music, dance (from Bollywood to Irish), food stalls provided by the local restaurants and cafes, bouncy castle and teacup rides for children and a lot more. The proposal includes a stage with a PA system. We have appointed a Master of Ceremonies to supervise and organise the event and have invited celebrities to open the celebrations, including Deputy Lieutenant Miss Mei Sim Lai OBE DL, your Majesty's Representative for the London Borough of Brent.

The event will be on Tuesday 5 June 2012 in and around Barham Park, Sudbury Town and we expect a very big turnout. We share the celebration of this momentous occasion with George Irvin's funfair, which will culminate with a fireworks display at dusk.

This is a non-profit event, with any surplus going to the Sudbury Neighbourhood Centre, a local organisation that provides a host of services for senior citizens, and St. Luke's Hospice who help the terminally ill.

We would like to take this opportunity to wish your Majesty a very happy celebration.

We have the honour to be, Madam, your Majesty's humble and obedient subjects.
